# HIYA.

We are dead chuffed you want to have your event with us. This info pack is where we tell you how that works.

# FIRST OF ALL, IF YOU'VE GOT UP TO 12 PEOPLE...

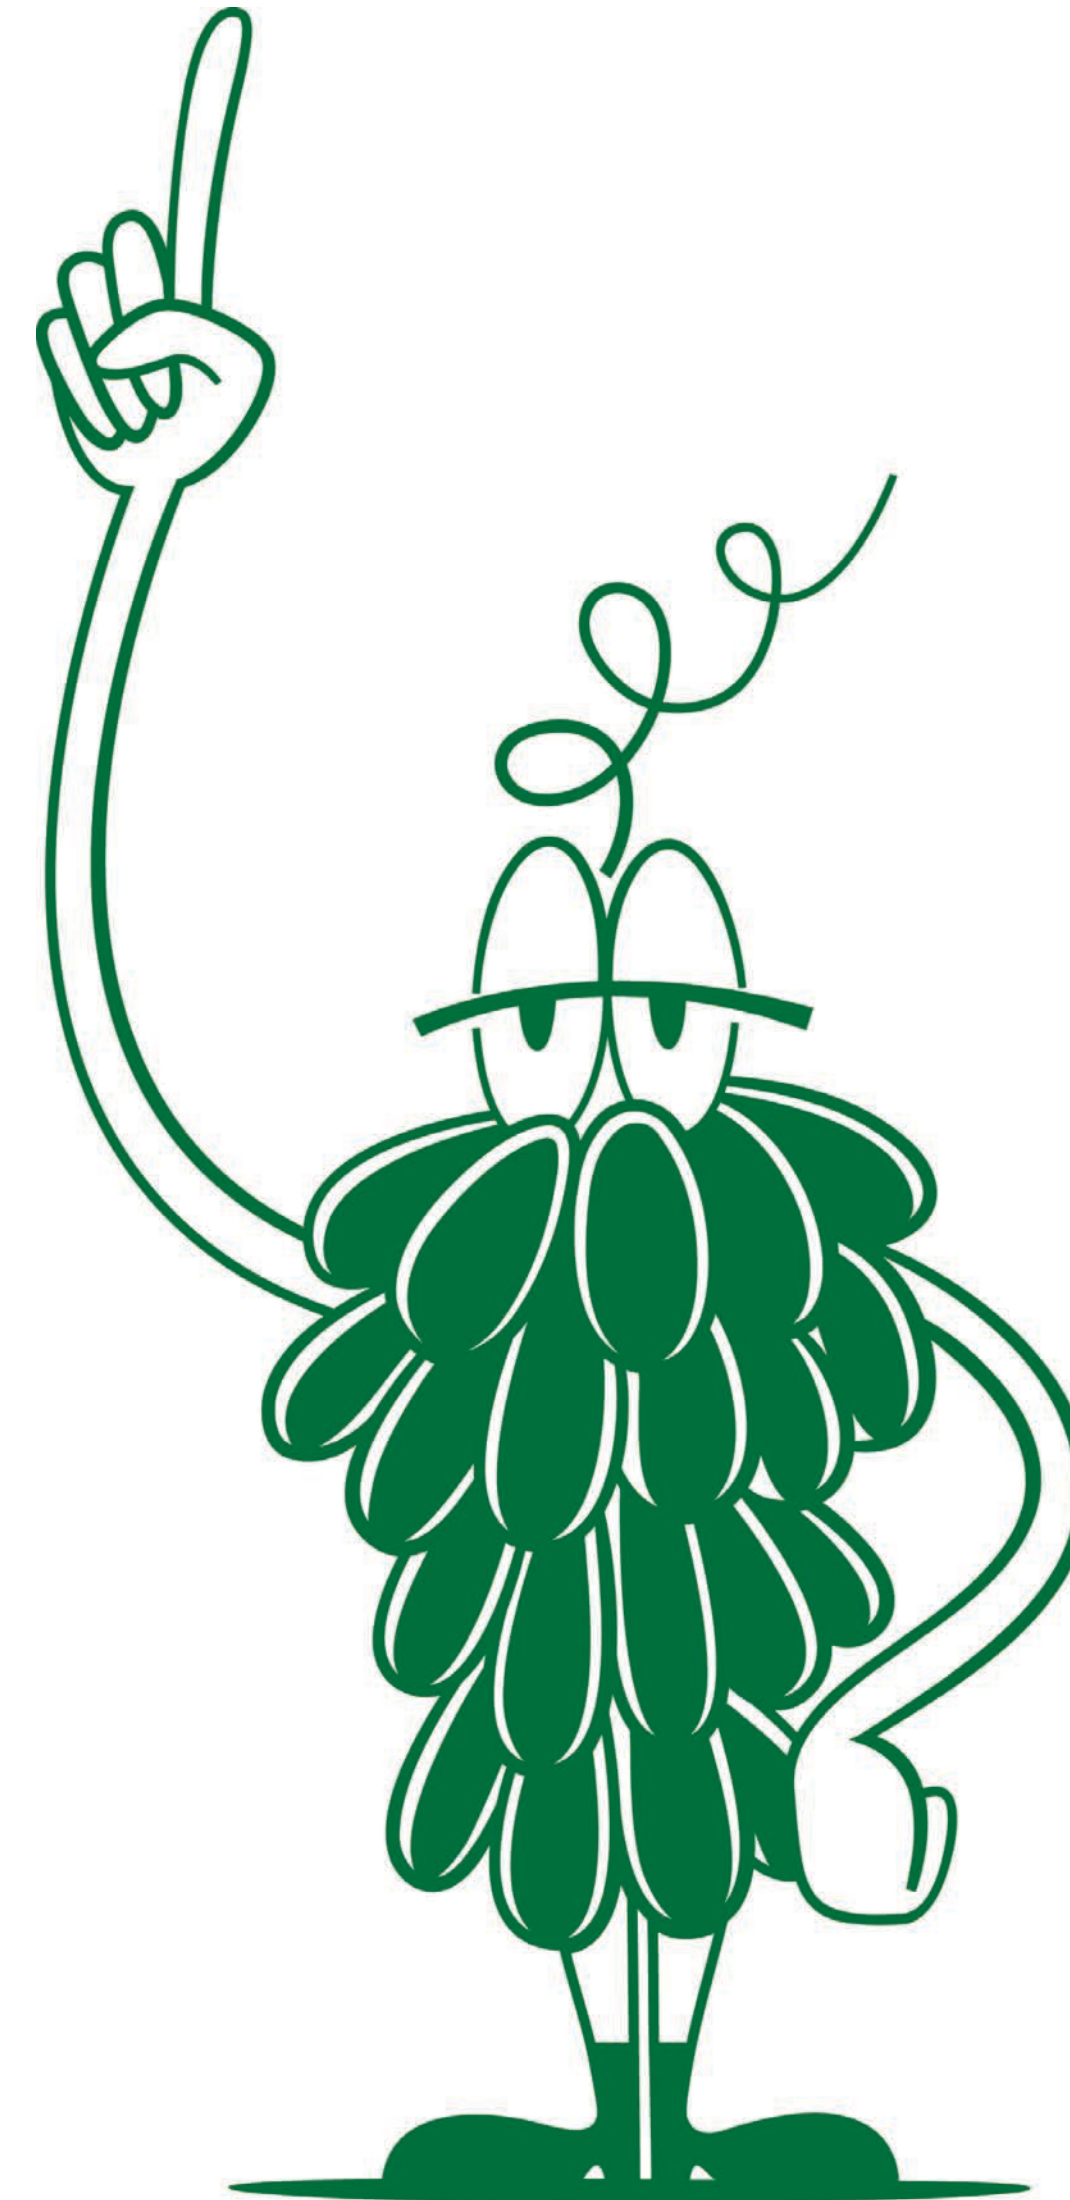

Great news, you can book your extravaganza directly through our [Sevenrooms site](#), without even getting in touch. Go and get it done.

# IF YOU'VE GOT 13-24 PEOPLE...

We can offer you one of our LPTs (Large Party Tables) – we've got a few available, which we'll show you over the next few pages. If you opt for outside and it rains, we'll do our very best to move you inside but please be aware that we can't always accommodate this at very busy times.

On these tables we serve 1x Whole Menu per four people. Food is £40 per head, served family style.

Drinks wise, you can buy whatever you like on the night, or pre-purchase one of our very good value packages if we don't say so ourselves (jump ahead for those), or do a bit of both.

# OUTSIDE

This one seats up to 24, with views of the London Eye to impress everyone. It's also in a spot that catches the sun reeeel nice on a hot day.

# INSIDE

## 1) The Library

This one seats 14-24 and is right up next to the pass so you can see our clever chefs work, if that's your thing.

## 2) Terrace View

This table seats 14-24 and is right in the thick of the restaurant inside, with bright views of our terrace.

3) The Stalls  
Finally, this is another space for up to 24 guests. Basically like having your own bit of the restaurant. Nice if you like feeling important.

YOU'VE ALSO GOT OPTIONS:**

- 1) Standing and mingling for two hours, with snacks and drinks
